HDOA drafted a Title VI Plan procedural booklet and a meeting on adopting this booklet is scheduled on Monday, May 6<sup>th</sup>. I think Monday will be the day. If not, I don't know what the holdup is. Maybe Phyllis needs to talk with you all – just to give her some confidence!?!

Hi Delanie, hope you are doing well. I am wondering if you can share a date by when you think the agreement might be signed by your director? I am getting this question from my principals and want to be able to provide some timeframe. I had shared with them last week that I thought it was imminent so they were surprised it had not happened yet. I know part of the hold up was your move and I hope you now up and running. 😊 Thanks!
